## General & Outdoor Opportunities

<b>Main Entrance and Grand Lobby</b>	<b>\$250,000</b>	
Visitors enter the facility through the Main Entrance and pass through the Lobby. This area serves as an educational and informational welcome to the various departments and programs.		
<b>Greeter Desk</b>	<b>\$25,000</b>	
We know that first impressions are everything. That's why all our visitors are warmly welcomed by one of our friendly volunteers or staff members at our prominent Greeter Desk located inside the lobby.		
<b>Grand Lobby Benches</b>	<b>\$10,000</b>	<b>2 available</b>
Located in the Grand Lobby, these highly visible benches give visitors the perfect place to sit back, relax and decide on the perfect companion animal to adopt.		
<b>Animal Mobile</b>	<b>\$10,000</b>	
It's so impressive, you simply can't miss it! The fun, life sized animal mobile proudly spins over 8 feet above our Grand Lobby. This one-of-a-kind mobile designed specifically for the Ozaukee Campus.		
<b>Tour Route Animal Transformation Panels (5 Panels)</b>	<b>\$5,000</b>	<b>5 available</b>
These five panels throughout the tour route illustrate an animal's journey through the Wisconsin Humane Society Ozaukee Campus. Choose from these five panels: Arrival & Registration; Behavior Evaluation; Vet Department; Lodging & Adoption; and Training & Resources. The boards are also displayed in the Pooch Palace, where all five can be sponsored as a unit for \$25,000.		
<b>"Green" Conservation Signs</b>	<b>\$2,500</b>	<b>10 available</b>
A total of 10 signs can be found throughout the public areas which are part of the "Green Scene Investigation" scavenger hunt game for children. From the "Solar Hot Water Panels" sign to "Local Materials," each one of these signs can be sponsored.		
<b>Building Exterior Portraits</b>	<b>\$15,000</b>	<b>3 of 5 available</b>
Designed to put a face to our mission and facility, these medallions bring the celebration of animals to the public. An oil painting is produced from a photograph provided by the family; the painting is a template for the creation of the cameo on the facility. The oil painting is given to the donor.		
<b>Solar Panels</b>	<b>\$7,500</b>	<b>5 available</b>
Not only do we have a passion for animals, but we love environment too! Honored to be the only "Gold" LEED ® certified animal shelter in the Midwest, all our hot water comes from the ultra-sheik solar panels located on the saw tooth above our front entrance.		

**Outdoor Play Area****\$25,000**

The shelter dogs love the agility equipment and outdoor play area, where volunteer dog walkers can take them for a game of fetch and exercise!

**Outdoor Benches****\$10,000**

Beautiful benches are ready to be dedicated and installed near the front entrance of the campus. This unique opportunity offers you the option to specify appropriate text to be inscribed attractively on the bench prior to installation.

**Outdoor Picnic Tables****\$5,000****2 available**

Who doesn't enjoy the great outdoors? These comfortable picnic tables are located on our back patio overlooking the scenic wetlands. The functional tables provide the opportunity to sit down, unwind and take in the great views that the adjacent wetlands provide.

**Fire Hydrants****\$2,500**

A.K.A "potty spots" for our shelter dogs. Mark your spot on these highly utilized stations on the grounds of the campus.

**Adopt a tree****\$1,000**

Go Green! With this special adoption, we'll plant a tree on the grounds of the Ozaukee Campus with a special plaque in honor or memory of any person or beloved animal.

**Personalized Outdoor Paving Bricks****4" x 8"****\$250 each****8" x 8"****\$500 each**

A limited series of personalized bricks border the sidewalk to the shelter's entrance. Bricks can be engraved with a limited number of words in honor or memory of any person or beloved animal.

## Animal Adoption

**Information Station****\$25,000**

An instant magnet for visitors of all ages, the Information Station contains three computer kiosks offering information about the shelter, program and services, great animal care tips, and more!

**Cat Cottage****\$100,000**

Cats may not find a mint on their pillow before bed, but the amenities are four-star. Natural light, piped in music, plenty of socialization and the attention of all of our staff, volunteers and visitors make this a destination spot as cats and kittens waiting to become part of loving, adoptive homes.

**Animal Transformation Panels (5 Panels)****\$25,000**

These five panels along the wall in the Pooch Palace illustrate an animal's journey through the transformation process. From entering the front door to receiving post-adoption services, every step an animal goes through is described and beautifully illustrated. The boards are also repeated along the tour route, where each one can be sponsored for \$5,000, if available.

**Barley's Bench****\$10,000 SOLD**

Centrally located in the Pooch Palace, the bench is a place for visitors to watch dogs, read about the adoption process, enjoy the view of the wetlands, or simply chat.

**Animal Antics Retail Store****\$150,000**

The store that features assorted creature comforts for our furry friends is designed to be light hearted! New companion animal adopters complete their adoption in the retail store to ensure that they are prepared to take home their new family member.

**Adoption Counseling Rooms****\$10,000 each**

Individuals and families receive a variety of information and resources to be better guardians to their new companions. The counseling offices provide a private environment to review records and learn all about the joys and responsibilities involved with bringing home a new companion.

## Veterinary Clinic

**Veterinary Clinic****\$500,000**

Community members can be confident in the caliber of services available through the state-of-the-art veterinary clinic, led by a full-time, dedicated veterinarian. The clinic will not only provide everything from lifesaving medical care to routine dental treatments, but it will also provide low-income households with spay/neuter services to combat animal overpopulation.

**Surgery****\$150,000**

All the stainless steel in this room is impressive! The surgery suite features the latest in veterinary technology. From spay/neuter surgeries to lifesaving amputations or sutures, lives will be saved every day in Surgery.

**Animal Arrivals****\$100,000**

The Ozaukee Campus staff greets animals and their human companions in the multi-purpose reception area. Patients from low-income families wait to see a veterinarian, and animals in need of a new home are also greeted in this area. Located directly off the busy entry lobby, this area, designed much like a private veterinary office, enables people to privately surrender an animal or seek veterinary care.

**Intensive Care Unit****\$100,000**

Critically ill or injured animals, as well as post-surgical patients whose condition needs to be continuously monitored, are brought immediately to the ICU for treatment and observation.

**Feline Recovery****\$25,000****Canine Recovery****\$25,000**

Dogs and cats are placed in these recovery rooms to recuperate after spay/neuter surgery, or other medical treatments. This enables veterinary staff to continually monitor recuperating patients.

<b>Canine Guest Lodging</b>	<b>\$50,000</b>	
All dogs that come to the shelter spend quality time in Guest Lodging as they progress through the veterinary department and behavior department on their way to Dog Adoption. Each of the three wards house twelve dogs. The rooms have natural light, medical-quality air handling, soundproofing, and are visited regularly by staff and volunteers who will begin the socialization and treatment process as soon as the dog arrives at the shelter.		
<b>Feline Isolation I</b>	<b>\$10,000</b>	
<b>Feline Isolation II</b>	<b>\$10,000</b>	
<b>Canine Isolation I</b>	<b>\$10,000</b>	
When cats, and dogs are brought into the shelter, a veterinarian first examines them. Those animals with contagious illnesses are kept in their own isolation area until they are healthy enough to live in the same room with other feline and canine guests.		
<b>Pharmacy</b>	<b>\$10,000</b>	
Medications will be prepared and dispensed for animal guests and clinic patients in the new pharmacy.		
<b>Radiology</b>	<b>\$10,000</b>	
Just as in any animal hospital, staff members use the radiology room to take X-rays of animal residents and clinic patients. An X-ray machine is a critical instrument to make proper diagnoses of many medical injuries and conditions.		
<b>Veterinary Office Suites</b>	<b>\$5,000</b>	<b>3 available</b>
In these busy offices, veterinary professionals return client phone calls, assist foster families in the care of adoptable animals, direct training and veterinary management programs, as well as develop programs to improve the care of shelter animals.		
<b>Feline Food Preparation</b>	<b>\$10,000</b>	
It's like a kitchen for kitties! Ozaukee Campus staff and volunteers will use this area to prepare daily feedings for felines in Guest Lodging.		
<b>Canine Food Preparation</b>	<b>\$10,000</b>	
It's not too unlike your kitchen island at home! In this Preparation Area, staff and volunteers prepare daily feedings for animals residing in Guest Lodging.		
<b>Clinic Animals Food Preparation</b>	<b>\$10,000</b>	
Staff and volunteers will use this area to prepare daily feedings for animals with contagious illnesses or who are under the care of our veterinarians. Separating this food area helps prevent disease transmission and ensure faster recoveries for animals suffering from illness.		
<b>Canine Cleaners</b>	<b>\$7,500</b>	
Although Fido may not be trained to do laundry, this sure is a hoppin' place! The shelter goes through many sheets, towels, and other laundry in one day. Laundry is done constantly!		
<b>Pooch Personality Profiling</b>	<b>\$25,000</b>	
WHS has pioneered an extensive dog evaluation process designed to understand the unique personality of each dog who comes to the shelter. The Dog Evaluation Room is specially equipped to aid staff in		

making an assessment of each shelter dog's type of personality. One-way glass is used by the staff to observe dogs in the more life-like setting of the evaluation room.

**Individualized Canine Guest Lodging**                           **\$1,000 each**                   **15 of 36 available**

Dogs have their own kennel with a warm bed, and a space to exercise and play with their toys. Regularly visited by volunteers inviting them to take a walk, the dogs are made very comfortable in their temporary digs.

**Individual Feline Guest Lodging**                           **\$1,000 each**                   **42 of 50 available**

Cats have a quiet, safe spot to curl up on their own little rugs with their toys. They receive regular visitors in these clean, cozy cages.

## Education Center

**Learning Center**   **\$500,000**

The Education Department plays an important role in ending pet overpopulation and animal cruelty, as well as providing training and behavior information that helps people maintain the human/animal bond. The Ozaukee Education Department has a beautiful, light-filled classroom to offer seminars, dog training classes, Scout outings, day camp and other educational programs and services.

**Building a Greener Future**                                   **\$5,000**

This education panel explains all of the sustainable strategies that went into the design and construction of the Ozaukee Campus. This informative, colorful panel is in the hallway leading to the Learning Center.
