

Saving the Sweet-Tempered Pit Bull

The Wisconsin Humane Society, Milwaukee Area Domestic Animal Control Commission, Central Bark, McCabe Group Insurance Services and the ASPCA invite you to discuss the challenges sweet-tempered Pit Bulls face in Milwaukee County. Learn what other communities are doing to help Pit Bulls, discuss programs that are in place for these dogs and facilitate fostering groups, as well as teams to actively develop adoption options for sweet-tempered Pit Bulls. The fee for this workshop is \$10. Lunch and refreshments will be provided. Space is limited to 100 attendees.

Topics and Speakers

Learn about dangerous dog laws, reckless guardians, breed specific bans, canine profiling, options for obtaining insurance and Sue Sternberg's Training Wheels and Lug Nuts programs. Hear about successful programs in Oakland, California, presented by BAD RAP, who worked with the dogs rescued in the Michael Vick case.
