Because they loved animals....

Remembering or honoring a special pet or person with a commemorative brick in the Kress Memorial Garden or a plaque hanging on an animal's kennel is a lasting tribute and meaningful way to support the work of the WHS Green Bay Campus.

These memorials also make a wonderful gift to celebrate a special anniversary, career milestone, a wedding, a new child or pet, or any life event for someone who knows just how much joy animals bring to our lives.

The garden is located in front of our shelter among mature trees and perennial plantings, providing a peaceful place to reflect.

Opportunities begin at just \$250, and those donating \$5,000 or more also have the option of selecting a garden statuary bench. Please contact us for more ways to personalize your meaningful gift today.

The mission of the Wisconsin Humane Society is to build a community where people value animals and treat them with respect & kindness.
