

The mission of the Wisconsin Humane Society is to make a difference in the lives of animals and the people who love them. We operate six shelters in Milwaukee, Saukville, Racine, Kenosha, Green Bay, and Sturgeon Bay, as well as our public Spay/Neuter Clinic in West Allis and our Wildlife Rehabilitation Center in Milwaukee. There is no national umbrella group in animal welfare; we are not a part of HSUS or the ASPCA. We don't receive any general government funding, and we are an independent nonprofit working locally in the communities we serve. Thank you for making all of this incredible work possible in 2024!

*Thank you!*

### AVERAGE LENGTH OF STAY

- 5,083** dedicated volunteers
- 1,263** compassionate foster homes
- 6,211** foster animal placements
